OAK BAY RUGGERS HAVE NEW MASCOT

"Shamus," official mascot of the Oak Bay High School ruggers, is the latest member of the growing army of Rugby mascots.

An ungainly Irish water spaniel, Shamus now represents Oak Bay on the field of battle. He made his seasonal debut yesterday at Windsor Park, and it was very successful. Dressed in a pair of Rugby shorts, an Oak Bay High sweater and a green and white beanie, Shamus headed a "snake" parade at half-time to the accompaniment of Oak Bay cheers. And Shamus, judging by the expression on his face, enjoyed it all.

And talking of rugger mascots, we understand from a fairly reliable source that the Royal Canadian Naval College ruggers have a mule as a mascot. With the Cadets' mule and Victoria College looking for another goat to replace Wallace, it looks as if the ever-popular mascot idea is taking a good hold in Rugby circles.

In the senior ranks the Varsity Thunderbirds have their famous Thunderbird totem pole, while Vancouver Lions are making every effort to get a live cub as a mascot. Perhaps it would be a good idea for Victoria's Crimson Tide to have their own mascot. But the problem facing the officials of the Victoria Rugby Union is just what kind of a mascot could they get to tie up with the Crimson Tide.

CANADIAN FOOTBALLERS NEEDING EQUIPMENT

Inability to get equipment may hold up the season's opening of Victoria's proposed Spring Canadian Football League, according to Doug Conrad, former Vancouver official, who has been named secretary of the local organization.

"We have four senior teams ready to go, and sponsors, but up to the present time we have been unable to get enough equipment," Conrad stated last night. The league is holding a get-together this evening at the Dominion Hotel, and may have something good to report following the session.

And while we are still on Canadian Football, it begins to look as if plans to reorganize the "Big Four" will not materialize this Fall. Certain of the Vancouver teams have other commitments and others have not started organization.

However, we understand from a very reliable source that Victoria plans to have senior football, perhaps the American variety, here next Fall. With a number of former Revellers' players back on "Civvy Street," and a number of youngsters coming along, local officials feel they can muster a good squad. Here's hoping they get a chance to get it into a good league.

Maple Leafs Rally To Tie Boston, 3-3; Chicago Victorious

Black Hawks Defeat Rangers, 6-2—Share Top Berth With Bruins—Broda in Toronto Goal

HOW THEY STAND

	W	L	D	Goals F	Goals A	Pts
Chicago	20	12	3	154	113	43
Boston	18	11	7	122	108	42
Canadiens	16	13	6	118	81	38
Detroit	14	12	5	90	94	33
Toronto	12	19	5	118	135	29
Rangers	9	22	3	94	139	21

Last night's scores: Toronto 3, Boston 2; Chicago 6, Rangers 2.

Next game, tonight, Rangers at Detroit.

BOSTON, Mass., Feb. 6 (AP)—With the veteran "Turk" Broda back in their nets after a three-year absence, the Toronto Maple Leafs put on a spirited third-period play rally to gain a 3-3 deadlock with Boston Bruins tonight before a packed 13,900 crowd at the Boston Garden. It was the third tie those National Hockey League teams have played in their eight games this season.

The Maple Leafs, who have yet to gain a 1945-46 decision over the Bruins, were outplayed by a wide margin during the first period which produced two Boston tallies.

But early in the second session, Defenceman Wally Stanowski inspired his teammates by whipping in a 50-footer for his first goal of the season after taking Lorne Carr's passout.

The third session opened with the Maple Leafs trailing by a 3-1 margin, which Bob Davidson reduced, during the second minute of play, by converting Stanowski's assist. Davidson swung inside the Boston defence and, after pulling out Goalie Frankie Brimsek, fired home a backhander from close range.

Gaye Stewart's 28th goal of the season gave the Leafs their draw decision with the Bruins, who opened in first place with a half-game lead on the Chicago Black Hawks. Stewart, after taking Billy Taylor's passout, pivoted around Bobby Bauer and blazed a steaming 15-footer into the right corner of the Boston net.

The Bruins, strengthened by the return of Defenceman Jack Crawford, who wore a protective mask over his fractured jaw, jumped off to an early 2-0 lead on scoring shots by Murray Henderson and Bep Guidolin.

Terry Reardon collected the final Boston tally about two minutes after Stanowski opened the Toronto scoring.

While making their spirited third period rally, the Leafs put on such an airtight defence that the Bruins were unable to take a shot on Broda's cage for more than 12 minutes.

SUMMARY

First Period—1, Boston, Henderson (Reardon), 6.05; 2, Boston, Guidolin (Gallinger, Shill), 16.42. Penalties, none.

BLACK HAWKS WHIP NEW YORK RANGERS, 6-2

CHICAGO, Feb. 6 (AP)—Chicago Black Hawks went into a tie for first place in the National Hockey League by defeating the last-place New York Rangers, 6-2, tonight before 16,794 fans.

The victory came as first-place Boston was held to a 3-3 tie by Toronto Maple Leafs.

Max Bentley, the league-leading scorer, was credited with three points, bringing his total to 53.

Edgar Laprade scored for New York after 59 seconds in the first period. But the Hawks broke loose for three goals in the second period, and after Phil Watson had added one for New York midway of the final period, the Chicagoans scored three more.

It was the fifth time this season the Hawks tied for first place—three times with Montreal Canadiens and twice with Boston.

After Laprade's goal, Pete Horeck put the Hawks on even terms and Max Bentley got the assist. Six minutes later Clint Smith drove the puck past Ranger Goalie Chuck Rayner on a pass from Alex Kaleta, and 17 seconds later George Allen scored from ten feet with Smith getting an assist.

The Rangers uncorked a fast offence in the final period, with the Hawks settling into a defensive game, playing for breaks. Phil Watson gave New York a goal on assists from Laprade and Alf Pike. Max Bentley scored and Reg Hamilton added another on an assist from George Gee. With three seconds remaining, Bentley scored his final tally, with Bill Mosienko getting an assist.

SUMMARY

First Period—1, New York, Laprade (Watson), .58. Penalties: Ware, Gardner.

Raith Rovers Win Toss; Advance in Cup Soccer Series

LONDON, Feb. 6 (Reuters)—The flip of a coin today sent Raith Rovers into the second round of competition for Scottish Soccer League's Division "B" Football Association Cup.

The Rovers and Dundee United were tied at the end of their two-game home-and-home series in the first round and a sudden-death contest was ordered for today. It ended in a 2-2 draw and each team gained three corners. In Scotland, where no overtime is played, the side forcing the most corners wins in the case of a drawn cup series.

However, with everything tied up tight and corners even, the team captains tossed a coin to decide who would advance, and Raith won.

In another cup game played today Airdrie gained eight corners while tieing Albion Rovers 1-1 and went into the second round.

East Fife defeated Dunfermline 4-2, and eliminated the team 7-2 on the first round.

Sunday's fixture billed for Macdonald Park, should be one of the most interesting of the season with the Wests and Nanaimo clashing in the first round of the Jackson Cup. Both games start at 2.30 p.m.

TOAST and TEA

By J. V. McAREE

FROM Samuel Butler's "The Way of All Flesh": "I once saw a very young foal trying to eat some objectionable refuse and unable to make up its mind whether it was good or no. Clearly it wanted to be told. If its mother had seen what it was doing she would have set it right in a moment, and as soon as ever it had been told that what it was eating was filth, the foal would have recognized and never have wanted to be told again; but the foal could not settle the matter for itself or make up its mind whether it liked what it was trying to eat or no, without assistance from without. I suppose it would have come to do so by and by, but it was wasting time and trouble, which a single look from its mother would have saved, just as wort will in time ferment of itself, but will ferment much more quickly if a little yeast be added to it. In the matter of knowing what gives us pleasure we are all like wort, and if unaided from without can only ferment slowly and toilsomely."

Canadian Legion Hoopsters Even Up Play-Off Series

Sonny Walker Pushes Up Winning Points in 40-38 Victory—Bays and K.V.'s Take Games

Canadian Legion senior "B" cagers are back on even terms with the Black and Whites in their best-of-five city final this morning following their 40-38 victory last night at the High School in the season's most exciting and best-played game. Sonny Walker, who played a standout game all evening, rightly became the hero when he tossed in a sensational one-hander from the right side with 23 seconds left.

Other play-off games saw Hudson's Bay coast to an easy 55-13 win over the Rookies in the first of their best-of-three women's senior "B" final and K.V.'s juniors cop the city title by virtue of their second straight victory over Chinese Students, 20-17. Eaglettes spanked Comets, 27-18, in a women's exhibition game.

Legion fought a great uphill battle to ease out the decision in the main fixture and turn the tables on their opponents, who captured the first contest in similar style when Alec Watson potted the winning points in the last seconds. From the start, the game produced thrilling basketball and reached the peak of excitement in the last five minutes as the rival clubs battled furiously for the winning points.

Playing their best basketball of the season and succeeding in keeping the Legion well out in the breakneck struggle, Black and Whites moved into a commanding 16-8 lead in the first quarter and looked like winners all the way.

Legion started on the comeback trail in the second session and cut the margin to 20-22 at the half. Dale tied it up momentarily in the third period but the Taximen forged ahead again only to see Toad Garnet push up four successive points to give the eventual winners the lead for the first time.

Walker's basket at the four-minute mark gave the Legion a four-point advantage but Travis cashed two throws from the foul strip and McKay came through for a basket to knot the count with 22 seconds left.

McKay was fouled as he shot but missed the throw and Travis followed seconds later by missing another and the chance to put the Taximen ahead. Walker grabbed the ball, dribbled down the right sideline and let fly with a long shot that swished through the twine to end the contest which had a good crowd on their feet throughout most of the 40 minutes. Losers almost tied it up again when Travis' shot rolled around the hoop before falling out and McKay's push-up just failed to carry over the rim.

Both clubs used their substitutes sparingly in the tense battle. Dale, Hall, Walker and Sid Watson went the full 40 minutes for the winners with Garnet playing three quarters. All played at the top of their form, with Dale keeping the dangerous Joe Travis in check and Watson playing his usual steady game. Walker took the scoring honors with 15 points.

Stewart, Alec Watson, Travis, McKay and Harknett were the best combination for the losers and played most of the game. The loss of Watson through personals in the last quarter was a serious blow and may have meant the difference. Stewart was effective all the way and McKay had his best night of the season, using his height to good advantage under the basket.

Hudson's Bay rolled through their outclassed opposition almost at will to roll up a top-heavy count. Marion Kennedy, deadly from in front, led the way with 22 points. Elaine Barry paced the Eaglettes to victory against the Comets with 17 points, while Jimmy Lewis set the scoring pace at the Y.M.C.A. as the K.V.'s annexed the junior title. Jimmy John was high for the losing Students with 11.

Naval Cadets And Oak Bay Win Fixtures

Oak Bay High School and Royal Canadian Naval College ruggers registered victories yesterday as teams of the Intermediate Rugby League, after many cancellations and postponements, finally managed to get the second half of the schedule under way.

[illegible] Bay blanked Victoria College, 8-0, while the Cadets invaded the Victoria High School campus and defeated the students, 8-5.

Sparked by a fast, tricky three line, Oak Bay made the most of every scoring opportunity and had little trouble keeping the Craigdarroch lads at bay.

By scoring twice in the first half, Oak Bay racked up a formidable array of points to which another try was added in the final stanza.

Midway throug the opening stanza the three line snagged the ball on the loose on a play in which every member of the backfield participated. Don McNeill, with a beautiful bit of broken-field running, carried the ball to the "two-bit" line, where he passed to Denny Pratt, wing three-quarter, who circled behind the posts for Oak Bay's first try. Jimmie Stephenson's kick was blocked

In the closing minutes, Doug Brown, receiving a pass from Jim Burland on the 50-yard line, outdistanced all opposition to make the halftime score 8-0. Brown's convert went wide.

Again in the second half it was the three line which spearheaded Oak Bay's attack, but it was Jim Burland, forward, who scored the only try in this period. Kicking the ball ahead, Burland caught up with it, picked it up, and crossed the line for the final score.

Rallying sensationally in the final stanza after dropping behind 5-0 in the first half, Royal Canadian Naval College ruggers defeated Victoria High School, 8-5, at the High School grounds

High School played their best Rugby in the opening stanza and opened the scoring on a try by Brown. Joyce converted to make the score 5-0 at the halftime breather.

Cadets perked up in the second half and went on the attack from the kick-off. Atkinson opened their scoring when he scooted over for a try, and Nicholls converted to tie up the game at 5-5

Royal Canadian Naval College drove over for what proved to be the winning points late in the game when Wilkins capitalized on an error by the opposing backs and raced over for a try. Nicholls failed to add the extra points and the match ended with the Cadets on the long end of an 8-5 score.

Beset by Both Landlords And Tenants, Says McGeer

"There are two kinds of people—landlords and tenants—and they're both dissatisfied," D F G McGeer regional rentals officer, told the Real Estate Board of Victoria at a luncheon in the Douglas Hotel yesterday.

"As long as I have a continuous procession of landlords on one hand, blaspheming me, and a continuous procession of tenants on the other hand, also blaspheming me, I can say my appraisers are doing a good job What I'm afraid of is the day when one or the other comes and pats me on the back," Mr. McGeer told his audience.

Mr. McGeer explained changes in regulations dealing with commercial accommodation. These changes [illegible] One permitted landlords to apply to the rentals officer for possession of his commercial premises, and the other, which involved an amendment to Order No. 315, provided security of tenure for tenants.

Among legitimate reasons a landlord might give for possession of premises, Mr. McGeer pointed out, were that he intended to employ more people than the tenant was at present employing: or that he might make higher and better use of the land.

"If a man proposed to tear down a garage and put up a ten-story building providing more accommodation, that would be higher and better use of the land," he explained.

"I hope the regulations will be lifted as rapidly as conditions permit," he said, adding later that to suspend the tenancy freezing order would mean "disaster." In answer to an assertion that office rents in Victoria were too low and had been set at depression levels, he replied that if the rent of any individual office were lower than the general standard, application could be made for increase, but he doubted if the entire level of rents could be raised for any one area.

Dudley Wickett suggested that low office rents made people wary of investing capital in new buildings here.

Wants Action on Victoria Airport

E. N ACKERMAN, 836 Colvile Road, has written to the City Council protesting lack of action on development of a civic airport. Mr Ackerman said he had watched the efforts of the council for the past 16 years and considered the airport project was further ahead in 1828 than it is today. "Is 1946 going to be another year of [illegible]?" he asked.

Air Officials Visit Victoria

To discuss the air transportation situation in Victoria, officials of Trans-Canada Air Lines from head offices in Winnipeg were here early this week.

Yesterday afternoon George I. Warren, managing secretary of the Victoria Chamber of Commerce, left for Seattle. He is expected to return Sunday.

Fire, which broke out on a wall behind a fireplace, caused between $300 and $400 damage to a house occupied by H G Keith, 785 Island Road, late Tuesday afternoon, Oak Bay fire department reported. The cause was believed due to faulty construction, firemen said.

Mr Keith returned to Victoria about three months ago after being a prisoner of war in Borneo for three and a half years.

The parishioners have received a grant from the Anglican extension fund of $5,000 and it is proposed to make application to the Synod for a loan.

Victoria City Police Starting Brake Tests

BRAKE tests on Victoria automobiles began yesterday and will be continued for the remainder of the week, Inspector Harry Mercer, city police, announced yesterday.

Tests will be made by means of a "brake efficiency indicator." Police will, at the same time, check cars for inadequate windshield wipers and other mechanical defects which affect driving safety.

Owners of cars which pass tests satisfactorily will be given a sticker stating the brakes have been tested. Those whose brakes are not satisfactory will be given a card which must be taken to the police station later, certifying that the defect has been repaired.

Police pointed out that persons driving with defective brakes are liable to prosecution.

City Building Total in Year $3,000,000, Best Since 1929

Building construction in Victoria last year jumped to $3,001,585, nearly twice the figure for the previous year of $1,752,943, according to a report submitted to the City Council by D. K. Kennedy, recently retired city building inspector.

Of the total last year, 556 permits were for new buildings, totaling $2,458,631 while 645 permits issued for alterations amounted to $542,954.

By far the greatest part of the new construction was in dwellings, including 341 single residences, 10 duplex dwellings, and four apartment dwellings for a total value of $1,721,305.

Building figures for last year, according to Mr. Kennedy's report, were the highest since 1929, when the total was $3,862,681.

He noted that Federal Government Wartime controls continued until the end of December, which delayed projected construction of all kinds and caused a relatively high proportion of house construction.

Predicting a building boom this year which may top $6,000,000, possibly beating the city's previous boom year of 1912, Mr. Kennedy suggested the appointment of an assistant plumbing inspector and an assistant wiring inspector to take care of the greatly increased work

Suggesting that the new town-planning commission will be formulating plans in conjuction with City Council directives, Mr. Kennedy proposed a complete revision of the present zoning by-law to be coordinated with any survey which might be made in the preparation of an official "Victoria town plan."

Pointing out that there was a greatly increased demand for signs on buildings, Mr. Kennedy recommended that the City Council consider by-law amendments requiring public liability insurance for all signs erected over streets.

1,000 May Seek Veterans' Houses

Applications for 150 veterans' houses now being built in Victoria may total 1,000 in a few months, housing authorities estimated yesterday. An increase in number of applications was noted after the return of the Canadian Scottish.

There are now 850 families on the waiting list, including widows of servicemen killed overseas. Only a few of the 425 wartime houses built for shipyard workers have been vacated, but if every house were vacated in favor of a veteran, the need for low-rental housing would be far from satisfied, housing men stated.

Alderman Edward Williams, chairman of Victoria Housing, Ltd., said yesterday that completion of the houses has been delayed by bad weather and shortage of plumbing supplies. Following receipt of some plumbing material on Tuesday, 15 houses could be completed in a week if the weather was good, he stated.

Explains Veterans' Exemption From Tax

A discharged serviceman, whose service pay and allowances were not taxable, may, upon taking civilian employment, obtain exemption from tax deductions for the balance of the calendar year by filing form T.D.-1A with his employer if it is evident that his civilian earnings for the year are not going to be sufficient to give him a taxable income.

This information was contained in a letter from Ottawa received yesterday at the office of Major Stanley H. Okell, assistant district administrator of Veterans' Affairs. The letter was sent to Veterans' Affairs heads across Canada at the request of the Taxation Branch, Department of Revenue, to clear up misunderstandings about veterans' tax standings

A serviceman's overseas tax exemption continues for six months of service after his return to Canada, the letter stated The six-month exemption, however, does not apply after discharge.

ADVANCES BACKWARDS

The porcupine advances into a battle backwards.

Propose Use Landing Barges For Ferries Among Islands

Every day new peacetime uses are being found for vehicles and equipment developed by war.

The ubiquitous jeep, that maid-of-all-work, is the desire of every farmer and hunter And now the farmers of the scattered Gulf Islands are looking to its marine counterpart, the military light landing craft, as the solution to their transportation problems.

Shallow-draft barges that cut out two handlings of cargo, are so highly manoeuverable that they can spin on a dime and require little or nothing in the way of dock facilities appear to island farmers not served by ferry boats as the ideal means of getting in supplies and getting out produce of their farms.

The Farmers' Institute Advisory Board, at its annual meeting in Victoria yesterday, unanimously passed a Vancouver Island and Gulf Islands resolution, moved by Sydney Pickles, urging that War Assets Corporation Ltd., make available light landing barges for communities with acute ferry transportation problems.

Cubs Advance To Finals of Junior Hockey

VANCOUVER, Feb. 6 (CP). — New Westminster Cubs, after a slow first-period start, outclassed the Vancouver White Spots to score an 8-2 victory and win the best-of-three semi-final round in the Pacific Coast Junior Hockey League two straight.

Cubs outplayed the Spots for an 8-4 victory in first game at New Westminster last Monday. They now meet Nanaimo Clippers, league winners, in the first game of the best-of-five final at Nanaimo on Saturday.

Denny Barkley, starry centre, led the Royal City crew, banging in six goals, four of them in succession in the last period. George Reid and Don Berry got the other markers. Gordie Langton and Connie McBeth netted for Vancouver, both counting in the first stanza.

Barkley, an outstanding player with New Westminster throughout the season, scored five unassisted goals and on the other, his second, he took a pass from Grant (Mickey) Maguire to beat Goalie Sam Hergert with a hard, low shot.

Amenity Vessel Reaches Victoria

Ss. Menetheus, former Blue Funnel liner, which has been converted into a luxurious entertainment ship for the British Admiralty, arrived at Esquimalt early yesterday afternoon from Vancouver.

After remaining offshore for a considerable time, the great white ship was tied up at No. 1 Jetty of H.M.C. Dockyard. It is reported the vessel will leave Esquimalt early this morning, bound for the South Pacific.

Menetheus is a sister ship of Ss. Agamemnon, which was also to have been re-converted into an entertainment ship for service in the Pacific. Work was well under way on the conversion job at Victoria Machinery Depot Co., Ltd., when the contract was canceled.

Orders were subsequently received to make the Agamemnon seaworthy and prepare her for a return journey to the United Kingdom. Work along this line has been under way. The ship's engines have been put back in shape, changes have been made on her superstructure, and she has been in drydock.

H. S. Hammill, general manager at V.M.D., reported the ship will be ready to sail within 10 days. A crew of nearly 90 men has arrived to take the vessel home.

Training Chief

DR. W. R. WEES

Of Ottawa, director of training for the Department of Veterans' Affairs, left for Vancouver and Ottawa on Tuesday after a visit to the office of Major R. H. Oleli, assistant district administrator of the department. He stated British Columbia led the Dominion in on-the-job training of veterans.

Home After Long Service Overseas

Petty Officer Norman Anderson, R.C.N., son of Mr and Mrs. James A. Anderson, Alexandria Apartments, is home again after service overseas with the Royal Canadian and Royal Navies.

P.O. Anderson enlisted in January, 1940, and trained here. He sailed aboard H.M.C.S. Prince Henry served subsequently aboard the Hawk Current, and went to the Iroquois when she was commissioned.

After nine months at H.M.C.S. Nonhe he went to the Royal Navy on loan, serving with H.M.S. Fledling

When the Crusader Canada's newest destroyer, was commissioned he was assigned to her and came home with her, to the first reunion of the Anderson family in seven years.

Urge Veterans Give Change of Address

Receipt of authorization for free dental treatment could be considerably speeded up if veterans would inform the Department of Veterans' Affairs of any change in address after they are discharged, says a notice from the Department.

Veterans living in British Columbia who have not yet received this authorization should send their new address at once to the district supervising dentist, Department of Veterans' Affairs, Shaughnessy Hospital, Vancouver, according to Dr R. W. Bradley, chief dental officer

Authority was recently granted for veterans to have emergency dental work, such as the repair of broken dentures, done by their own dentist without waiting for D.V.A. approval. Non-emergency treatment, however, must be authorized by the district supervising dentist

May Induce Recruits With Pay Increases

Better pay may be one of the attractions offered to Reserve Army recruits. It is being considered by military sources at Ottawa.

Air Minister Gibson has indicated the services hope to offer a scale of pay similar to that which a man might expect in a civilian career, while Defence Minister Abbot has said he hopes to attract men to the permanent force by giving better pay.

Train Blind Veteran To Be Happy at Work

Despite the fact they are blind, many war veterans are proving daily they can lead happy successful lives, according to Capt. Fred Woodrow, of the Canadian National Institute for the Blind

One case in point is that of Larry Bartlett, of Trail, who before the war was a sheet metal worker and who was convinced he could not live a normal life after being blinded

Following training by the institute, however, Bartlett was able to return to his old job and is now smoothing out lead sheets as expertly as the next man.

Arrived Home Here During Week-End

Among the veterans who returned to Victoria during the week-end was Tpr. Norman W. Tipper, second son of Mr. and Mrs. R. W. Tipper, 2310 Work Street.

A member of the Sherbrooke Fusilier Regiment, Tpr. Tipper landed in France in the Summer of 1944 and fought through Europe until the end of hostilities.

Americans in Allied Service Get Benefit

Veterans of any of the Allied services who were citizens of the United States at the time of enlistment, have now been declared entitled to benefits granted under the G.I. Bill of Rights, the Department of Veterans' Affairs has announced.

The benefits include education, loans, out of work allowances and assistance in securing employment.

American veterans returning to the U.S.A. should contact their local offices of the U.S. Veterans' Affairs Administration.

New Confidence Game Found in Vancouver

A new "confidence game" technique which has been operating in the Kerrisdale district of Vancouver has been exposed by officials of the Department of Veterans' Affairs.

Duplicating a general service discharge pin, a man has been going from door to door claiming the D.V.A. told him to find 250 blind residents who would help finance his way through a vocational training course by paying him a weekly stipend of five cents a week.

His then ask for $6.50 in advance, explaining that the course would last two and a half years.

Serves on Canada's New Ship Warrior

S.A. Ray Rutherford, youngest son of Mrs. T. Rutherford, 3284 Alder Street, is serving aboard H.M.C.S. Warrior, Canada's newly commissioned aircraft carrier.

Before joining the navy in December, 1944, he was on the staff of the Lands Department at the Legislative Buildings.

S.A. Rutherford, 19, was born and educated in Victoria.

Islands Hospital Funds Increase

SALT SPRING ISLAND, Feb. 7.—Giving the report of the board of management of Lady Minto Gulf Islands Hospital, W. M. Mouat stated the financial position of the hospital had improved, when showing approximately $600 more in the bank than there was a year ago. The outstanding feature of increased revenue was that patients' fees were more than $2,000 greater than in 1944 and the amount of $1,710.34 had been donated by the patients of long-overdue accounts undertaken by Gavin C. Monat.

There was an increase of over $400 from subscribers and approximately $250 increase in Government per capita grants. Expenditures were greater by over $2,000, largely due to a much greater amount for salaries and wages.

The number of subscribers reached 687 adults and 85 children. There were 232 children covered by the school subscription plan.

The treasurer's report showed total receipts to be $13,137.79, with expenditure $12,533.87.

The Women's Auxiliary showed a balance of $150.86 after expenditure of $307.36 during the year.

The report of the special committee appointed for the proposed new hospital was given by Ven. Archdeacon G. H. Holmes and handed over to the incoming committee to take action.

Members elected to the board for the coming year were: Ven. Archdeacon G. H. Holmes, Rev. J. Cecil Roe, W. M. Mouat, Gavin C. Monat, T. Power, W. B. P. Alexander, Mrs. Warren Hastings, Mrs. O. Maude, Mrs. E. Parsons and Mrs. A. E. Scoones.

LONDON (CP).—The Ancient Society of Pepys is to dine once more in the Prospect of Whitby, 300-year-old Inn overlooking the Thames at Wapping. Dinners were discontinued in wartime.

According to Culbertson - - - -

The game contract in today's deal was lost because the declarer overlooked the high significance of the first trick.

West opened the diamond queen, dummy played low, East discarded a low spade, and South won. Now, after counting the available and establishable tricks, declarer laid down the heart queen. As he explained later, it was obvious that at least three heart tricks would be needed for the contract, and since the heart jack was at large it seemed better to lay down the queen, guarding against a possible singleton jack in the East hand, than to finesse immediately to dummy's 10 [illegible] queen smothered the jack. East had two stoppers in his A-6-4, and before declarer could knock out the second stopper East had established three club tricks for the defence.

If nothing significant had turned up on the first trick, South's lead of the heart queen would have been fairly logical. But something highly significant had been revealed. West had a six-card diamond suit while East was void of that suit. Thus, was it likely that East had a singleton heart? Well, hardly! It was infinitely more probable that if hearts were divided 4-4 or 5-3, East, not West, had the greater length. If he had ace-jack-nine, there was nothing South could do about it, but by leading low toward dummy, South could easily take advantage of finding the blank jack or the guarded jack in case the king would another the jack, and later, the eight could be led through East for a finesse against the nine. If, on the lead toward dummy, West played low, the 10 could be finessed.
